Slipped out of our fangure like ah jest. And across the street, Jenes I naver paid any particular attention to Jenes, but from now on I shall. The girl may or thay set have where the money is, but louse does, Jones does! Two men shall watch. Feltun on the street and Orion from the windows of the op-served house. With opera glasses he will be able to take note of all that temperate in the house during the day. He will be able to see the girl's room. And that's the important point. It was And that's the important point. It was a 2006 piam, little woman; and it would have been plain sailing if only we had remembered that the girl was tilagramus's daughter. Be very careful hereafter when you call on her. A alght like this will have made her suspicious of every one. Our hope lies with you. Anything on your mind?

"Yes, Why not insert a personal in the Herald!" She drew some writing the server of the server

the Hernid? She drew come writing paper toward her and acribbled a few words.

He creek: "Florence—the hiding plant is discovered. Helbove R. to a more source aper at some S. H."—He lengthed and admit his head. I'm straid that will never de."

"If she roots it, Jones will The man with the open glassics say so head this creek a shaper Jones, neglet became wearing.

It was midaight when he made the departure. As he stapped into the street, he glanced about castionsly. On the corner be new a policemen swinging his night atick. Otherwise the street was descried. Braine pro-ceeded jauntily down the street.

And yet, from the darkened doors of a man emerged and atood contemplat ing the windows of the Perigoff speri-ment. Buddenly the lights went out. The watcher made no effort to follow did not necessitate any such procedure Of course, Florence read the "per-sonal." She took the newspaper at once to Jones, who amiled grimly.

You see, I trust you." "And so long as you continue to trust me no harm will befall you. You were left in my care by your father. I am to guard you at the expense of my life. Last night's affair was a miracle. The next time you will not find it so

"There will be no next time," grave

ly. "But I am going to ask you a di-rect question. Is my father alive?" The butler's brow puckered. "I have premised to say nothing, one way or

the other!

Why do you laugh?"

"I laugh because if he were dead there would be no earthly reason for your not saving so at once. But I hate the sight of it. It is at the bottom of "The root of all dvil. Yet it per-

forms many noble deeds. But never mind the money. Let us give our attention to this personal. Doubtless it originated in the same mind which conceived the letter. Your father would never have inserted such a per-sonal. What! Give his enemies a chance to learn his secret? No. On the other hand I want you to show this personal to all you meet today, Mussis, the reporter, to everybody. Talk about shall do. Trust no one with your roal

'Not even you, Mr. Jones," thought the girl as she nodded.

'And tell thum that you showed it to me and that I appeared worried." That night there was a meeting of

the organization called the Black Hundred. Bruine asked if anyone knew what the Hargreave butler looked like. "I had a glimpse of him the othe night; but being unprepared, I inight not recognize him again."

Braine could aimost see the portrait. "Vroon, that memory of yours is worth a lot of money," was his only comment.

"I believe I'll be able to recognize Mr. Jones if I see him. Who is he and

"He has been with Hargreave for 14 years. There was a homicidal case in which Jones was active. Hargresve saved him. His is faithful and uncom If he does know where that million is hot from could not make him own up to it. The only way le to watch him, follow him, wait for the moment when he'll grow careless. No man is always on his mettle: he lets up sconer of

He is being watched, as you know. Vroon nedded approvingly of the tramp steamer Orient, by the way, was seen with a roll of money. He was in one of the water front saloons, bragging how he had hood winked some one.

where he'd not the cash ?" asked liraine.

"They tried to pump him on that but he shut up. Well, we have agreed that Folton shall watch from the street will whiatle if he sees Joses removin saything from any of the rooms. The rest will be left to Felton."

And, Felton, my friend, said Braine softly-he always apuke softly then he was to a deadly humor-"Fe ten, you slept on duty the other night Hargreave stole up, consulted Jones, and got away after knocking me down The next failure will mean short shift, Be warned!"
"I saw only you, sir. So help me.

was not saleep. I saw you run down the street after the taxicab. I did not 200 Shyone else.

Braine shrugged. "Remember what Felton bowed respectfully and made

might some day catch the master mind free of his eternal mask, to was an trop hand, which ruled them and there were friends of his (Felton's) who had mysteriously vanished after a brief period of rebellion. The boss was a swell; probably belonged to claim and society which he advoictly pifered. The erganisation always had money. When ever there was a desperate job to be undertaken. Vroom simply poured out the money necessary to promote it. Whenever Braine and Vroon became Whenever Braine and Vroon branch engaged in extrest conversation they

rained in earness conversation they talked flav. Braine was never called by hame here; the hoss, simply that.
Well, ten per cent of a million was a hundred thousand. This would be equally divided between the second ton of the Black Hundred Another ten per cont would go to 80 members; the Vrom and the boss. But his noul re-belled at being ordered about like an mich ditt under another man's feet id take his ten ther the small settings.

called upon Florence. Not created a vague unjust in the o ing woman's mind. She realized the she must play her cards more fully than ever. Not the least & head. Once that happened soudder to the wonderful emeralds. Was it the she really craved the stone? Week not rather a venom acquired from the won what she herself, with an he cleverness, was not sure of British was also only the calspaw to plant his bot chestnuts from the fire?

When Florence showed her the per her vague doubts i stantly dissipated. The child would had there been any distrust on her

THE NEW STYLES the collection:

d of the Wester Style

A A LEW PARTS

Agure, Some jackets are Anger-tip lour, and there are some which reach to the bend of the knees or helow at the back. And there are all lengths in between all squally styl-

YOUR STYLE.

Some are meant for small and slender women. Others are designed for similer women and others for tall women. The hest style for you is the one that is the most becoming and the one you like hest.

The way to find out your style is to go to The Store That Sells Wooltex and try on different models. The Wooltex saleswomen can help you to find at ouch your mit and your count—the ones that are the most becoming to you.

cost—the ones that are the most becoming to you.

All the new anit skiris are comfortably wide about the holtom. In some, this fuliness is more or less disguised. In others, it is quite Frankly apparent. But the fullness is there. Any woman who has an uncomfortably narrow skirt this season has only her own taste to hisme. WHAT IN FARMISONABLE IN MARIES WHATIN FAMISONABLE IN MARIES WHATIN FOR PAYED AND THE CONTROL OF THE CO

from Premet's to Bernard's, and others. There is a really remarkably large number of attractive styles in suits and coats to choose from in Parls; that is to say if you are prepared to pay from \$150 upwards for each garmont.

But if you wish to pay from \$20 to \$45 for a coat, and from \$25 to \$50 for a suit, and yet obtain constantationing quality, then go to The Store That Sells Wooltex. There you will did the very best of the Parliw styles adopted or adapted, togeth, or with a number of charming original Wooltex designs inspired directly by American women.

inal Wooliex designs inspired direct.

ly by American women.

It would be queer, indeed, would it not; if Wooliex garments could not give you better satisfaction than all others put together?

THREE NEW KINIM OF COATS In Wooliex coats you will find the New Marchioness styles which have loose flowing backs. These will be well liked by women of conservative flare at the bottom and have the distant for general wear. Then there we the smart lippieton styles. These the the smart lippieton styles. These tine days look sleader. Also you will find many different designs in the new Windshield coats. These are chic and yet very comfortable coats, for what is a smart rever one minute may be turned up and fastened into the most perfect throat protector the maxt.

the next.
HMART THING FOR YOUNG

WiMEN.

Then there are all the new cape-coat styles over which Paris has gene quite crass. Young women will revel in these.

Hoadcloth is being largely shown

revol in these.

Broadcloth is being largely shown in the latest Paris coats and suits, so you will find it in Wootex.

It is to be a great season. Fur garments and fur trimmings are to be more used even than last season, and that is saying a great dest.

There are many seeges in the Paris suits at the smartest houses. So you will find these and also the stylish new cheviots in Wootex garments. In the new coatings, some will prefer the novelty mixtures, often shulf-ed or checked. Others will like the best the soft wool plushes and the chinchilias. Names mean little, however. To know what the garments actually look like and just how they look on you, there is one perfectly easy and sure method, and that is to try on the garments in front of a looking glass.

WHAT FARTINGLIS WOMEN IN.

The Wooles ulant is one of the

WHAT FARTIDIOUS WOMEN IN. MINT UITN.

The Woolter plant is one of the biggest and handsomest cloak factories in the world. It is conducted on the most modern, progressive ideas. Woolter garments are made under far superior conditions to those enisting in many custom-made tailoring enishinhments. Fastificially women insist upon having their clothes made under sanitary conditions.

Ion is overlooked.

PREVARLING COLLING.

All colors are fashionable, but there is a decided vogue for black; blues, browns, greens and some of the plans and other fruit colors, all in rich, deep, dark tones which are becoming.

Belia and sashes either in front or at the back are on men.

the collection.

There is not the alightest doubt that a great many different. atyles of the new coats, among them many with be were this coming fall and olive chapes. There is nothing garlies white. I am writing this in Paris. There is no such thing as one style by lady-like and at the same time here. Paris is an ever-flowing, over-atylish.

All garments are worn large and many fall in soft folds:

The Wooltex Style Show Now On

Did you get your Wooltex Style book thru the mail? If not, call for a copy. Better still, come in and try these suits and coats on. The first expression of every woman trying on a Wooltex garment is: "They feel so good; they look so good too."

They are different—they look better to begin with, and they stay good looking longer than any suits and coats made.

Wooltex Coat Prices. \$20.00 to \$40.00 \$25.00 to \$50.00 Wooltex Suit Prices, Suits from other makers. \$12.75 up

Come to the Millinery Center

Exclamations of approval come from every visitor to our Millinery Department.

Our hats have never been so pretty, and have never been so reasonably priced. The reason our prices are below that of other dealers is that we bought nothing from manutacturers who had advanced prices, and we have tabooed high priced patterns this season. We can leave off these high priced pattions.

There is a hig staff of Wooltex deplacement. They come to Paris sech season to see every new idea. And is stay hert between their visits to make sure that no worth white fash-lon is overlooked.

Miss Leiper Can copy them for about one-their cost.

Miss Leiper Will Be Glad to Talk Styles With You.

PREVAILING CHIADES

Redingote Styles are the Rage in New York for dresses. These are made of Serge or Gabardine. Navy Serge combined with black satin are the favored materials. We or is the one that has the pick of or at the back are on many new garhave all the new weaves in Serges from the best mills in the suring fresh hose. The dyes in hossery rot the yarn in the
